

YOUNGSTOWN ROAD RUNNERS CLUB

As the area's oldest and finest running organization, The Youngstown Road Runners Club would like to extend an invitation to you to join us for the coming year. Whether it's competitive action or recreational fun runs, the YRRC is there to provide it. We use one of the country's finest Park Districts, the Mill Creek Metro Parks, for our weekly runs. We run past historic sites like Lanterman's Mill, the rugged gorge area, and meander along the waters of Mill Creek. We labor up those killer hills with nicknames like "Big Bear." We sponsor the challenging Distance Classic, a half marathon on closed park drives as well as a cross country run on the beautiful local Boardman High School course. We offer water during the hot summer runs, along with several picnics. We provide cabins, coffee and hot chocolate following the cold winter runs. We offer a bimonthly newsletter, race and training information, and so much more. We give scholarships to local runners attending college. We also make available shoes for those athletes in high school who run on a Suburban League team and can not afford shoes. Perhaps most importantly, we provide running camaraderie, running partners, and, of course, friendships. We're involved in the running community. We'd like to have you join us.

The Youngstown Road Runners Club depends on volunteer help and if possible, would like your assistance at one club event this year. This is not mandatory, it is strictly voluntary. Please realize that if you check to volunteer, this does not necessarily mean you will be called. It means that you could be called. It also means if called, you can still choose not to help. We will compile this list so that we have a pool of helpers who are interested in working a race. Sometime we have enough help, other times we do not. That is when we will call. Please check if you might be available to help time a race this year.
